Dear Ralph,

Glad to see that you have a line on that stamp. The post office still doesn't know anything about it.

As you know, we are having our mini-show on November 4th. I would sincerely appreciate your distributing the enclosed flyers. It would be great to see a bunch of you Portlandites here.

Thanks much, and keep in touch.

A handwritten signature in dark ink, appearing to read 'Wayne Hooper', written in a cursive style.
